Spring 2019

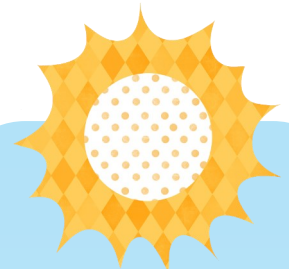

## Welcome to Spring

Friends of Lucille, Fay, and Irene, donated three new rose bushes this February in their memories. A loving deep red rose was bought for Lucille, a lavender one for Granny Fay and the yellow rose of Texas kissed with orange tips for Irene. We have several raised boxes in the backyard that will need new flowers. Our garden club will be building more boxes when the weather permits. If you are a builder—come on down.

Help is needed digging in the dirt, pulling weeds and planting flowers. If you would like to play a part, purchase a pallet of snapdragons, pansies, or your personal favorite flower, please let the office know.

Our beautiful mascot, the calico cat, who hangs out our front porch and brings joy to many of our residents, is asking for donations once again for her annual shots. In March, we will put up a donation bucket in the office. Every dollar helps. “Li-Li” thanks you in advance for your kindness and for opening the door for her when she wants to go in/out. She has us all well trained.

We give a big Vista Village welcome to our new residents:

- Romeo and Leticia G.
- Dwight W.
- Pat A.
- Cliff B.
- Verna G.
- Eileen M.
- Rita C. back from her stay in rehab.

Also, to our staff

- Sara
- Anthony
